Disclaimer: The information provided is a hospital estimate and is not a guarantee of final billed charges. Final billed charges may vary from hospital estimates for many reasons, among them are the patient's medical condition, unknown circumstances or complications, final diagnosis and recommended treatment ordered by the physician. Professional fees, such as physician, radiologist, anesthesiologist and pathologist fees are not included in this estimate. Insurance benefit information (where applicable) is based on information provided by your insurance company as of the date of this estimate. Benefits and eligibility are subject to change and are not a guarantee of payment. Please read our Privacy Policy.

Radiology Services CMS REQUIRED

All below test will incur a professional Radiology reading fee and will be billed by an outside company. Those charges are unknown and additional to the below fees.

Disclaimer: The information provided is a hospital estimate and is not a guarantee of final billed charges. Final billed charges may vary from hospital estimates for many reasons, among them are the patient's medical condition, unknown circumstances or complications, final diagnosis and recommended treatment ordered by the physician. Professional fees, such as physician, radiologist, anesthesiologist and pathologist fees are not included in this estimate. Insurance benefit information (where applicable) is based on information provided by your insurance company as of the date of this estimate. Benefits and eligibility are subject to change and are not a guarantee of payment. Please read our Privacy Policy.

Radiology Services CMS REQUIRED

All below test will incur a professional Radiology reading fee and will be billed by an outside company. Those charges are unknown and additional to the below fees.
