

Orthopedic Month
**PE
MIA**

To celebrate Orthopedic Month, Pike County Memorial Hospital is hosting a fun coloring contest! We invite all kids to show off their creativity by coloring the picture on this sheet. Once you're done, simply turn it in to your school office or drop it off at any PCMH location for a chance to win a special prize basket. Be sure to get your artwork in by October 29th, and don't forget to have fun while learning about how important it is to take care of your bones and muscles!
